

## **What is the foundational idea of ethical practice for makers?**

**Professor Pratap Rughani, University of the Arts London**

Duration of video clip: 23 seconds

Consent is a foundational idea in any relational practice and at its core it means that the maker is in a sustained and honest relationship with a contributor, and we both understand, to some degree at least, what it is we're trying to achieve, and that each have rights and responsibilities in relation to that.
